Pedestrian Connector, staircase or unpaved surface not suitable for cycling
This map is intended to help you find the best bicycling routes in the City of Tigard and its vicinity. While we have made every effort to provide a high-quality, accurate and useable map, the information is advisory only. Map users assume all risks as to the quality and accuracy of the map information, and agree that they use it at their own risk. Always remember traffic and roadway conditions vary by time of day, day of week, and time of year. We hope this map will provide you with a resource that can help you find safe and fun bicycling routes in our community.
NOTE: There are several bus stops between the major transit centers. Visit www.trimet.org or call 503-238-RIDE (7433) for route and schedule information.
