

*Dump trucks and backhoes and giant mowers, oh my!*

# TIGARD Public Works DAY

**SUNDAY, MAY 15**

**9 a.m.–2 p.m. • Public Works Building**

**(8777 SW Burnham St., Tigard)**

**Public Works plays a role in nearly every aspect of our lives—from turning on the tap, to playing in the park, to helping us get from one place to another on our trails, sidewalks and streets.**

**Come and learn what your Public Works Department is all about.**

There will be heavy-duty fun for the entire family:

- » Activities, hands-on demonstrations and free giveaways.
- » Sit in the driver's seat of a backhoe or dump truck, and see other machines used to dig trenches, haul rock, trim trees and more!
- » Visit with public works professionals who will answer questions and talk about their work.

This **free**, outdoor event is held in celebration of National Public Works Week, May 15–21, and will take place in conjunction with the Tigard Area Farmers Market. For more information, contact Public Works at 503-718-2591.
