

99 W AT HALL AND GREENBURG/MAIN INTERSECTION WEEKLY UPDATE

Work for the week of August 29, 2010

NOTE: Due to the upcoming Labor Day holiday, construction work will cease at 12pm Friday, September 3rd and will not start back up again until the morning of Tuesday, September 7th.

- **Main Street:** Paving work is taking place Sunday night (8/29/10), from 8pm-5am. As a result, MAIN ST WILL BE CLOSED the night of 8/29/10, from 8pm to 5am, between Scoffins St. and HWY 99W. Day time (8am-5pm) work includes irrigation line installation and back-filling the planter islands. During the daytime hours, expect lane closures and minimal delays while passing through the work zone.
- **99W:** Pavement repair work between Hall Blvd and Greenburg Rd (west bound lane) is expected to be finished by Monday morning (8/30/10) at 5am. Sidewalk construction is taking place between Hall Blvd and OR 217. EXPECT NIGHT TIME LANE CLOSURES AND THE TRAFFIC SIGNAL AT HALL/99W TO BE SHUT DOWN. EXPECT SIGNIFICANT DELAYS BETWEEN 8PM AND 10PM THROUGH THE WORK ZONE. After 10pm, only minimal delays as trucks enter/exit the work zone.
- **Hall Boulevard:** Pouring sidewalks. EXPECT FLAGGERS AND MINIMAL DELAYS THROUGH THE WORK ZONE BETWEEN 8PM AND 5AM.
- **Greenburg Road:** Utility relocation work at the intersection of Center St and Greenburg Rd during the day (8am -5pm). Expect minimal delays while traveling through the work zone as most work is off to the sides of the roadway.
- **Center Street:** Utility relocation work at the intersection of Center St and Greenburg Rd during the day (8am - 5pm). Expect minimal delays while traveling through the work zone as most work is off to the sides of the roadway.

Work days & times

- Mostly Mon – Sat 8:00pm – 5:00am
- Lane closures & delays through out the project.
- Some day & weekend work.

Improvements:

- Adding left, through, and right turn lanes at all intersection approaches;
- Widening HWY 99W to include an additional eastbound through-lane;
- New sidewalks and bicycle lanes from the SW Greenburg / SW Main intersection to HWY 217 on/off ramps;
- Highway 99W will be repaved from Commercial St over pass to HWY 217.

Construction start & end:

May 2010 through December 2010
