3.65.030 Tax Imposed.

The tax administrator is authorized to exercise all supervisory and administrative powers with regard to the enforcement, collection and administration of the motor vehicle fuel tax, including all powers specified in ORS 319.010 to 319.430. (Ord. 09-12; Ord. 08-20)

3.65.040 Amount and Payment.

1. In addition to any fees or taxes otherwise provided for by law, every dealer engaging in his own name, or in the name of others, or in the name of his representatives or agents in the city, in the sale, use or distribution of motor vehicle fuel, shall:

a. Not later than the 25th day of each calendar month, render a statement to the tax administrator or duly authorized agent of all motor vehicle fuel sold, used or distributed by him/her in the city as well as all such fuel sold, used or distributed in the city by a purchaser thereof upon which sale, use or distribution the dealer has assumed liability for the applicable motor vehicle fuel tax during the preceding calendar month.

b. Pay a motor vehicle fuel tax computed on the basis of three cents per gallon of such motor vehicle fuel so sold, used or distributed as shown by such statement in the manner and within the time provided in this ordinance.

3.65.050 Permit Requirements.

No dealer shall sell, use or distribute any motor vehicle fuel until he/she has secured a dealer's permit as required herein.

3.65.060 Permit Applications and Issuance.

1. Every person, before becoming a dealer in motor vehicle fuel in this city, shall make an application to the tax administrator for a permit authorizing such person to engage in business as a dealer.

2. Applications for the permit must be made on forms prescribed, prepared and furnished by the tax administrator.

3. The applications shall be accompanied by a duly acknowledged certificate containing:

a. The business name under which the dealer is transacting business.

b. The address of the applicant's principal place of business and location of distributing stations in the city.

The permit so issued is not assignable, and is valid only for the dealer in whose name it is issued.

5. The tax administrator shall keep and file all applications with an alphabetical index thereof, together with a record of all permitted dealers.

3.65.070 Failure to Secure Permit.

1. If any dealer sells, distributes or uses any motor vehicle fuel without first filing the certificate and securing the permit required by Section 3.65.060, the motor vehicle fuel tax shall immediately be due and payable on account of all motor vehicle fuel so sold, distributed or used.

2. The tax administrator shall proceed forthwith to determine, from as many available sources as the tax administrator determines reasonable, the amount of tax due, and shall assess the tax in the amount found due, together with a penalty of 100% of the tax, and shall make a certificate of such assessment and penalty. In any suit or proceeding to collect such tax or penalty or both, the certificate shall be prima facie evidence that the dealer therein named is indebted to the city in the amount of the tax and penalty stated.

3. Any tax or penalty so assessed may be collected in the manner prescribed in Section 3.65.110 with reference to delinquency in payment of the tax or by action at law.

4. In the event any suit or action is instituted to enforce this section, if the city is the prevailing party, the city shall be entitled to recover from the person sued reasonable attorney's fees at trial or upon appeal of such suit

or action, in addition to other sums provided by law.

3.65.080 Revocation of Permit.

The tax administrator may revoke the permit of any dealer who fails to comply with any provision of Sections 3.65.020 to 3.65.270. The tax administrator shall mail by certified mail addressed to such dealer at his last known address appearing on the files of the tax administrator, a notice of intention to cancel. The notice shall give the reason for the cancellation. The cancellation shall become effective without further notice if within 10 days from the mailing of the notice the dealer has not made good its default or delinquency.

3.65.090 Cancellation of Permit.

1. The tax administrator may, upon written request of a dealer, cancel a permit issued to the dealer. The tax administrator shall, upon approving the dealer's request for cancellation, set a date not later than 30 days after receipt of the written request, after which the permit shall no longer be effective.

2. The tax administrator may, after 30 days' notice has been mailed to the last known address of the dealer, cancel the permit of the dealer upon finding that the dealer is no longer engaged in the business of a dealer.

3.65.100 Remedies Cumulative.

Except as otherwise provided in Sections 3.65.110 and 3.65.130, the remedies provided in Sections 3.65.070, 3.65.080 and 3.65.090 are cumulative. No action taken pursuant to those sections shall relieve any person from the penalty provisions of this code.

3.65.110 Payment of Tax and Delinquency.

1. The motor vehicle fuel tax imposed by Sections 3.65.030 and 3.65.040 shall be paid to the tax administrator on or before the 25th day of each month.

2. Except as provided in subsections (3) and (4) of this section, if payment of the motor vehicle fuel tax is not paid as required by subsection (1) of this section, a penalty of one percent of such motor vehicle fuel tax shall be assessed and be immediately due and payable.

3. Except as provided in subsection (4) of this section, if payment of the tax and penalty, if any, is not made on or before the 1st day of the next month following that month in which payment is due, a further penalty of 10% of the tax shall be assessed. Said penalty shall be in addition to the penalty provided for in subsection (2) of this section, and shall be immediately due and payable.

4. Penalties imposed by this section shall not apply if a penalty has been assessed and paid pursuant to Section 3.65.070. The tax administrator may for good cause shown waive any penalties assessed under this section.

5. If any person fails to pay the motor vehicle fuel tax or any penalty provided for by this section, the tax and/or penalty shall be collected from that person for the use of the city. The tax administrator shall commence and prosecute to final determination in any court of competent jurisdiction an action to collect the same.

6. In the event any suit or action is instituted to collect the motor vehicle fuel tax or any penalty provided for by this section, if the city is the prevailing party, the city shall be entitled to recover from the person sued reasonable

3.65.120 Monthly Statement of Dealer.

Every dealer in motor vehicle fuel shall provide to the tax administrator on or before the 25th day of each month, on forms prescribed, prepared and furnished by the tax administrator, a statement of the number of gallons of motor vehicle fuel sold, distributed or used by him/her during the preceding calendar month. The statement shall be signed by the dealer or the dealer's agent.

All statements filed with the city, as required in this section, are public records.

3.65.130 Failure to File Monthly Statements.

If a dealer fails to file any statement required by Section 3.65.120, the tax administrator shall proceed forthwith to determine from as many available sources as the tax administrator determines to be reasonable the amount of motor vehicle fuel sold, distributed or used by such dealer for the period unreported, and such determination shall in any proceeding be prima facie evidence of the amount of such fuel sold, distributed or used. The tax administrator shall immediately assess the dealer for the motor vehicle fuel tax upon the amount determined, adding thereto a penalty of 10% of the tax. The penalty shall be cumulative to other penalties provided in this code.

3.65.140 Billing Purchasers.

Dealers in motor vehicle fuels shall render bills to all purchasers of motor vehicle fuel. The bills shall separately state and describe the different products sold or shipped thereunder and shall be serially numbered except where other sales invoice controls acceptable to the tax administrator are maintained.

3.65.150 Failure to Provide Invoice or Delivery Tag.

3.65.160 Transporting Motor Vehicle Fuel in Bulk.

Every person operating any conveyance for the purpose of hauling, transporting or delivering motor vehicle fuel in bulk shall, before entering upon the public highways of the city with such conveyance, have and possess during the entire time of the hauling or transporting of such motor vehicle fuel, an invoice, bill of sale or other written statement showing the number of gallons, the true name and address of the seller or consignor, and the true name and address of the buyer or consignee, if any, of the same. 1. The motor vehicle fuel tax imposed by Sections 3.65.030 and 3.65.040 shall not be imposed on motor vehicle fuel:

a. Exported from the city by a dealer;
or

b. The tax administrator may demand of any dealer such additional data as is deemed necessary in support of any such certificate, and failure to supply such data will constitute a waiver of all right to exemption claimed by virtue of such certificate. The tax administrator may, in a case where tax administrator believes no useful purpose would be served by filing of an export certificate, waive the filing of the certificate.

3. Any motor vehicle fuel carried from the city in the fuel tank of a motor vehicle shall not be considered as exported from the city.

4. No person shall, through false statement, trick or device, or otherwise, obtain motor vehicle

fuel for export as to which the city tax has not been paid and fail to export the same, or any portion thereof, or cause the motor vehicle fuel or any portion thereof not to be exported, or divert or cause to be diverted the motor vehicle fuel or any portion thereof to be used, distributed or sold in the city and fail to notify the tax administrator and the dealer from whom the motor vehicle fuel was originally purchased of his/her act.

5. No dealer or other person shall conspire with any person to withhold from export, or divert from export or to return motor vehicle fuel to the city for sale or use so as to avoid any of the fees imposed herein.

6. In support of any exemption from taxes on account of sales of motor vehicle fuel in individual quantities of 500 gallons or less for export by the purchaser, the dealer shall retain in his/her files for at least three years an export certificate executed by the purchaser in such form and containing such information as is prescribed by the tax administrator. This certificate shall be prima facie evidence of the exportation of the motor vehicle fuel to which it applies only if accepted by the dealer in good faith.

3.65.175 Sales to Armed Forces Exempted.

The license tax imposed by Sections 3.65.030 and 3.65.040 shall not be imposed on any motor vehicle fuel sold to the Armed Forces of the United States for use in ships, aircraft or for export from the city; but every dealer shall be required to report such sales to the tax administrator in such detail as may be required. A certificate by an authorized officer of such Armed Forces shall be accepted by the dealer as sufficient proof that the sale is for the purpose specified in the certificate.

TIGARD MUNICIPAL CODE

3.65.190 Fuel in Vehicle Coming into City Not Taxed.

The dealer shall reimburse the city for reasonable costs of the examination or investigation if the action disclosed that the dealer paid 95% or less of the tax owing for the period of the examination or investigation. If, at anytime, the Transportation Advisory Committee has not designated a project for funding, all funds collected pursuant to this chapter shall be maintained in the Tigard City Gas Tax Fund until such time as the Transportation Advisory Committee designates a priority project for the use of such funds.
