Notice of Contract Award

Date: January 21, 2010

Re: **NOTICE OF CONTRACT AWARD**

DESCRIPTION: 10.0 MG Reservoir Improvements and Transfer Pump Station

At their January 12, 2010 meeting, Tigard's Local Contract Review Board approved award of the 10.0 MG Reservoir Improvement and Transfer Pump Station public improvement contract to James W. Fowler Construction.

This decision was consistent with staff's recommendation of award based on the result of a formal Invitation to Bid process. Through the bid process, James W. Fowler Construction was found to have submitted the lowest responsible bid for the project.

The project is largely being conducted with federal funds from the American Recovery and Reinvestment Act and through the Safe Drinking Water Revolving Loan Fund. The awarded contract shall be for a total of \$4,887,317.

For more information regarding this project, please visit the project's page at the City of Tigard's website. The page can be found by following the link listed below and will be updated regularly through the projects duration:
