

Business at the Next Level

Business is challenging. Companies need all the help they can get to create sustained growth over the long haul. The **Oregon Small Business Development Center Network** (OSBDCN) has assembled teams of highly experienced business advisors to assess your current business and provide the tools to create sustained growth.

- \$1,000,000 to \$50,000,000 annual gross sales
- 10–99 employees
- Demonstrated growth in gross sales, net profit or net employment in three of the last five years

If your business meets these qualifications, you qualify for specialized services in these areas:

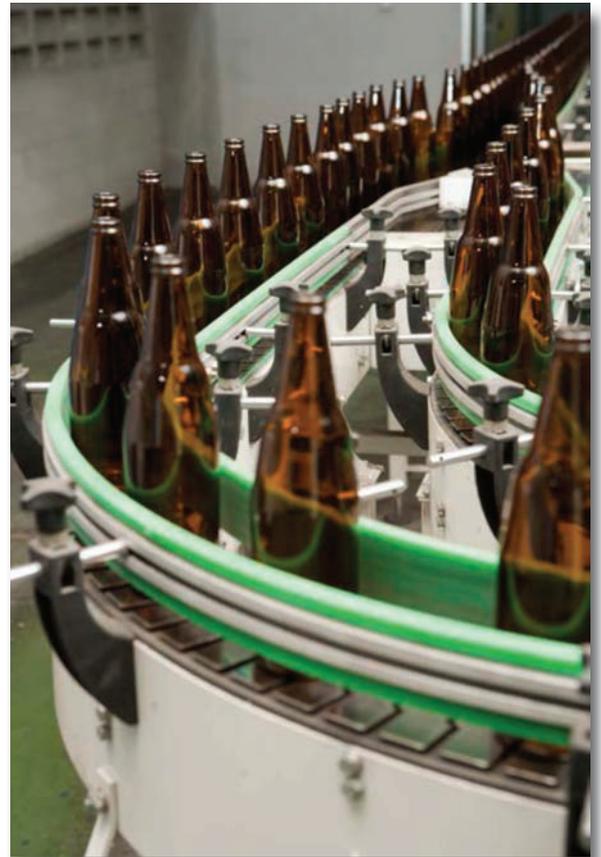

- Strategic needs assessment
- Advanced market research and analysis
- Digital media assistance
- Search engine optimization guidance
- CEO networking/mentoring

Additional services include:

- Business planning
- Financial analysis
- Debt and equity financing assistance
- Export assistance
- Government contracting assistance

If you qualify, contact Mike Kelsay with PCC SBDC: michael.kelsay15@pcc.edu
