6. Prohibit rate preference and other discriminatory practices which benefit one customer at the expense of other customers of the service or the general public;

7. Conserve energy and material resources;

8. Eliminate overlapping service to reduce truck traffic, street wear, air pollution and

noise;

9. Provide standards for solid waste service and public responsibilities;

11. To comply with the business recycling requirement set forth in Metro Regional Government Code Chapter 5.10.330.

B. No person shall:

The term "compactor", does not include a household, mechanical device located within a residential dwelling, which is used exclusively by the occupants of that dwelling. The term "compactor" does not include any mechanical device used by a franchisee which is attached to the franchisers mobile collection vehicle.

E. "Curbside" means solid waste receptacles placed by the customer for pickup within five feet of a public roadway or at a location approved by the franchisee.

F. "Customer" means any person who receives service from a franchisee or permittee.

## TIGARD MUNICIPAL CODE

waste management, and regulations promulgated under any of the foregoing.

E. Where a permit is required from the city manager, it shall be issued only upon a finding that the service is needed, has not been provided by the franchisee or, in the case of fixed base facilities, by other persons. The city manager shall give due consideration to the purposes of this chapter. He or she may attach such conditions as he/she determines are necessary to obtain compliance with this chapter and may restrict the term of such permit. The permittee will comply with all applicable provisions of this chapter.

F. Solid waste placed out for collection, whether or not source-separated, belongs to the franchisee when so placed; or, where placed out for collection by a permittee, belongs to the permittee.

G. No person shall deposit material in or remove material from any drop box or container supplied by a franchisee without permission of franchisee.

H. No person shall take or remove any solid waste placed out for collection by a franchisee or permittee under this chapter.

I. Notwithstanding other provisions of this section, if the council finds that on-route recycling is technologically and economically feasible and directs that it be instituted:

1. Franchisees shall be given advance notice of a hearing on the subject and an opportunity to be heard.

2. If, after the hearing and on the basis of written findings, the council directs the service be provided, the franchisees shall be given a reasonable opportunity to provide the service or subcontract with other persons to provide it.

3. If franchisees do not provide the service within the specified reasonable time, the council may issue a franchise or franchises for that service and limited to on-route recycling. A franchisee under this subdivision I shall comply with all applicable requirements of this chapter.

4. Nothing in this subsection shall prevent the franchisees from instituting on-route recycling prior neither to a council determination nor from including income and expense in the rate justification section.

5. Section 11.04.070.A.10 requires franchisees to provide the opportunity to recycle, to include on-route recycling, in accordance with applicable law. This subsection is intended to provide a process by which the council may create on-route recycling requirements in addition to those found in other applicable law. (Ord. 03-08; Ord. 99-18; Ord. 99-03; Ord. 91-36 §1; Ord. 86-66 §§1, 2; Ord. 78-64 §4).

# TIGARD MUNICIPAL CODE

## **11.04.060 Franchise—Fees.**

A. As compensation for the franchise granted to each franchisee and for the use of city streets, the franchisee shall pay to the city a fee, the amount of which is contained in the master fee resolution in effect at the time the franchise agreement is adopted. Such fees shall be computed on a quarterly basis and paid within thirty days following the end of each quarter calendar year period. Each franchisee shall maintain an adequate bookkeeping system showing the gross cash receipts resulting from the solid waste services conducted under the franchise. Records shall be open at all times for audit by authorized personnel designated by the city manager.

B. Willful misrepresentation of gross cash receipts by a franchisee shall constitute cause for immediate revocation of the franchise, pursuant to Section 11.04.080 of this chapter.

C. The franchise fee shall be in lieu of any business license or regulatory fee or tax, but shall not be in lieu of any ad valorem tax, imposed by the City of Tigard. (Ord. 03-08; Ord. 02-05; Ord. 78-64 §6).

## **11.04.065 Franchises Records.**

A. Franchisee shall keep accurate books and records related to all solid waste activities. Such books and records shall be open to inspection by the city, its attorney, or other authorized agent at any time during the franchisee's business hours.

B. The city may audit or review the books and records as it deems necessary. Information obtained from such audits or reviews may be used to determine the amounts due to the city under the provisions of this franchise agreement. Such information may also be used by the city to determine costs of particular services, to

determine changes to the schedule of solid waste rates, or for any other regulatory purpose related to the administration of this chapter. The city shall maintain the confidentiality of such records to the extent allowed by the Oregon Public Records Law. However, the city may provide information obtained pursuant to this franchise to other governmental agencies involved in the regulation of the provision of solid waste services. If such information is shared, the city shall, prior to delivery of the information, receive a written assurance from the receiving agency that the confidentiality of the information shall be maintained to the extent allowed by the Oregon Public Records Law. (Ord. 91-36 §1).

## **11.04.070 Responsibility of Franchisee.**

A. The franchisees shall:

1. Resource-recover or dispose of wastes collected at sites approved by the city that are in compliance with Chapter 459, Oregon Revised Statutes and regulations promulgated thereunder.

2. Provide and keep in force public liability insurance, with a 30-day cancellation clause, with a combined single limit of \$1 million, relating to a single occurrence, which shall be evidenced by a certificate of insurance filed with the city recorder. The city shall be named as an additional named insured on the policy. The insurance shall indemnify and save the city harmless against liability or damage which may arise or occur from any claim resulting from the franchisee's operation under this chapter. In addition, the policy shall provide for the defense of the city for any such claims.

3. Furnish sufficient collection vehicles, containers, facilities, personnel, finances and scheduled days for collections in each area of the city necessary to provide all types of service required under this chapter or subcontract with

## TIGARD MUNICIPAL CODE

others to provide such service pursuant to this chapter.

4. Provide a cash security deposit or a performance bond in the amount of \$5,000 to guarantee payment to the city or other affected person of a judgment secured against the franchise holder because of work performed that does not conform to the requirements of this chapter or other ordinances of the city. The deposit or bond shall continue until one year after expiration of the franchise, or until all claims or demands made against the franchisee have been settled or secured.

5. Collect no single-family residential solid waste before 5 a.m. or after 7 p.m. unless this condition is waived by the city manager or designee.

6. Provide collection and disposal of solid waste from all city facilities, city parks, city sidewalk containers and city activity areas at no cost to the city on a regular schedule.

7. Make collection no less often than once each week, except for will-call collections and drop box operations, and except as provided in Section 11.04.140.

8. Permit inspection by the city of the franchisee's facilities, equipment and personnel at reasonable times.

9. Respond to all calls for special hauling requiring equipment regularly supplied by franchisee within 96 hours of receiving said call unless a later pickup is agreeable to the customer. Special hauling of containers or drop boxes supplied by franchisee is dependent upon availability of those containers or boxes.

10. Provide the opportunity to recycle to all residential, commercial and industrial sources of recyclable material in compliance with

state and local laws and regulations including, without limitation, this chapter, other provisions of the city code, applicable metropolitan service district and State Department of Environmental Quality rules and regulations and the Oregon Recycling Opportunity Act (Chapter 729, Oregon Laws 1983). The opportunity to recycle shall include on-route or depot collection of source-separated recyclable material, a public education and promotion program that encourages participation in recycling, and notification to all customers of the opportunity and terms of recycling service. In addition, the franchisee shall provide regular opportunities for disposal of nonputrescible waste, yard debris, discarded appliances and other waste and shall comply with state and local laws and regulations adopted from time to time for the specific waste materials.

B. A franchisee may require a contract from a customer who requires an unusual service involving added or specialized equipment solely to provide that service. The purpose of this subsection is to prevent the added cost from being assessed against other ratepayers if the customer later withdraws from service. (Ord. 03-08; Ord. 91-36 §1; Ord. 78-64 §7).

### **11.04.080 Franchise—Transfer, Suspension, Modification or Revocation—Conditions.**

A. The franchisees shall not transfer this franchise or any portion thereof to other persons without 60 days' prior written notice of intent and the subsequent written approval of City Council, which consent shall not be unreasonably withheld. The City Council shall approve the transfer if the transferee meets all applicable requirements met by the original franchisees. A pledge of this franchise as financial security shall be considered as a transfer for the purposes of this subsection. The City Council may attach whatever conditions it deems appropriate to guarantee maintenance of service and compliance with this chapter.

## TIGARD MUNICIPAL CODE

B. Failure to comply with a written notice to provide the services required by this chapter or to otherwise comply with the provisions of this chapter after written notice and a reasonable opportunity to comply shall be grounds for modification, revocation or suspension of franchise.

1. After written notice from the City Council that such grounds exist, franchisee shall have 30 days from the date of mailing of the notice in which to comply or to request a public hearing before the City Council.

2. If franchisee fails to comply within the specific time or fails to comply with the order of the City Council entered upon the basis of written findings at the public hearing, the City Council may suspend, modify or revoke the franchise or make such action contingent upon continued noncompliance.

3. At a public hearing, franchisee and other interested persons shall have an opportunity to present oral, written or documentary evidence to the City Council. The finding of the City Council thereon shall be conclusive; provided, however that such action may be reviewed by a court on a writ of review.

4. In the event that the City Council finds an immediate and serious danger to the public through creation of a health or safety hazard, it may take action to alleviate such condition within a time specified in the notice to the franchisee and without a public hearing prior to taking such action.

C. The city or any one of the franchisees may propose amendments to this franchise. Proposed amendments shall be in writing and delivered to the city manager and the franchisees. The city manager shall present the proposed amendments to the solid waste advisory committee ("committee") or a similar committee

approved by the City Council. The committee shall review the proposed amendments and make a recommendation to the City Council. The committee may hold public hearings, obtain additional information, negotiate and undertake other activities to prepare a recommendation to the City Council. Both the city manager, or designee, and the franchisees shall be invited to attend meetings of the committee to comment on the proposed amendments and be otherwise available as resources to the committee. After review of the proposed amendments to the franchise, the City Council may, after public hearing, adopt the amendments. After adoption by the City Council, the franchisees may sign an acceptance of the amendments. However, when the amendment is adopted pursuant to Sections 11.04.020.A.1, 11.04.020.A.2, 11.04.020.A.9, 11.04.020.B.2, 11.04.040.D.5, 11.04.040.I, 11.04.080.A and 11.04.080.B, the franchisees shall sign an acceptance of the amendment. The franchise shall be amended upon acceptance of the amendments by the franchisees. (Ord. 03-08; Ord. 91-36 §1; Ord. 78-64 §9).

### **11.04.090 Rates for Service.**

A. The rates to be charged to all persons by the franchisee shall be reasonable, uniform, and based upon the level of service rendered or required by state or local laws or regulations, haul distance, concentration of dwelling units and other factors which the City Council considers to justify variations in rates that outweigh the benefits of having a single rate structure unless otherwise noted in this chapter.

B. Nothing in this section is intended to prevent:

1. The reasonable establishment of uniform classes of rates based upon length of haul; type of waste stored, collected, transported, disposed of, salvaged or utilized; or the number, type and location of customer's service, or the

## TIGARD MUNICIPAL CODE

type of services; the service required by laws and regulations; or upon other factors as long as such rates are reasonably based upon the cost of the particular service and are approved by the City Council in the same manner as other rates;

2. The franchisee from volunteering service at reduced cost for a civic, community, benevolent or charitable program.

C. Rates to be charged by the franchisees under this chapter shall be set by the City Council by resolution as deemed necessary by the council; except, changes in charges to the franchisees for solid waste disposal site fees and other similar charges directly related to the transportation and disposal of solid waste, imposed by a governmental agency shall be included in the rates, provided such changes are evenly distributed among the rates. The franchisees shall provide 60 days' written notice with accompanying justification for all other proposed rate changes. The council shall give due consideration to the purposes of this chapter and the annual report filed by the franchisees in evaluating the proposed rate changes.

D. The franchisee shall be provided with 30-day prior written notice with accompanying justification for a city-initiated reduction in rate schedule.

E. Unless a governmental unit or legislative body has raised or lowered the cost of providing service or there is a substantial increase in the cost of doing business that was not provided for in the previous rate adjustment, rate adjustments shall be made annually on the following schedule:

1. On or before March 15th, the franchisee shall file an annual report, in a form required by administrative rule, with the city recorder for the year ending the previous December 31st.

2. The city manager shall report to the council by April 15th on the franchisee reports and propose rate adjustments, if any. The city manager may make such recommendations as appropriate to the rate determination. A copy shall be delivered to each franchisee.

3. The council may set a hearing on any proposed rate adjustment.

4. Unless there is good cause shown and recorded in the minutes of the council, the council shall act upon any rate adjustment by May 31st, and the adjustment shall take effect June 1st. Rate adjustments shall be by resolution of the council.

5. The reports are required from each franchisee regardless of whether or not a rate adjustment is requested.

F. Emergency rates or an interim rate for a new or altered service may be set by the city manager; provided, however, that an emergency or interim rate is not valid for more than six months from the effective date. The city manager shall report any emergency or interim rate adopted together with justification to the council for action by resolution and order, if the rate is to continue for more than six months.

G. Rates established by the council are fixed rates and the franchisee shall not charge more or less than the fixed rate unless pursuant to subsection B.2 of this section.

H. Nonscheduled services shall be charged at the reasonable cost of providing the service taking into consideration the factors in subsections B and C of this section and as determined by franchisee.

I. In establishing rates, the council may set uniform rates, uniform rates by zone and different rates for collectors where there is a service and

# TIGARD MUNICIPAL CODE

cost justification.

J. Until changed by the council, rates to be charged are those in effect on the effective date of the ordinance codified in this chapter.

K. If approved in a rate schedule, a “start charge” for new service and a “restart charge” for reinstated service may be added.

L. Franchisees may request and the council shall schedule a public hearing on the application for adjustment or action of the council where no public hearing has been held prior to rate determination.

M. Franchisee may require payment for residential and multifamily residential service up to three months in advance, and may bill up to three months in advance, arrears or any combination. Where billed in advance, franchisee will refund a prorated portion of the payment for any complete months in which service is not to be provided. Where billed in advance, no rate adjustment shall be effective until the end of the advance payment.

N. Any person who receives solid waste service from the franchisees shall be responsible for payment for such service.

O. Franchisee may charge at time of service for drop box service or for any customer who has not established credit with franchisee. (Ord. 09-05 §1; Ord. 03-08; Ord. 91-36 §1; Ord. 86-66 §§3—6; Ord. 83-19 §1; Ord. 78-64 §8).

## **11.04.100 Container Requirements and Collection Limitations.**

A. In addition to compliance with ORS Chapter 459 and regulations promulgated in it and in this section:

To achieve the purposes of this chapter,

to prevent recurring back and other injuries to collectors and other persons, to comply with safety instructions to collectors from the State Accident Insurance Fund, and to comply with safety, health and environmental safeguards:

1. Solid waste receptacles designed for manual pickup shall have sides tapering outward to the opening at the top that provide for unobstructed dumping of the contents, two handles on opposite sides, a close-fitting lid with handle, not to exceed 32 gallons’ capacity, and be watertight in construction; shall be made of metal or some rigid material that will not crack or break in freezing weather; and shall be waterproof, rodent-resistant and easily cleanable; and shall not exceed the gross loaded weight established by state law or regulation.

2. Sunken refuse receptacles or containers shall not be used, unless they are placed aboveground by the owner for service.

3.
