

# WALKING MAP

# Cook Park

At 79-acres, Cook Park is the largest park in the city. Along with sports fields and picnic shelters, you'll find wetlands, wooded areas, open space and a butterfly garden. Its riverfront location gives boaters easy access to many miles of scenic waterways. The park is home to great blue herons, river otters and other wildlife.

## FEATURES & HIGHLIGHTS

## TIGARD PARKS AND RECREATION

*Connecting People and Places*

---

Our mission:

*“Provide healthy and diverse recreational opportunities through programs, events, parks, and natural areas, for all ages and abilities, ensuring that the City of Tigard is a desirable place to live and play.”*

Check out Tigard’s Parks and Recreation Program’s seasonal Activity Guide to learn what’s happening in your neighborhood and throughout the city.

If you’re looking to learn a new hobby, meet some new friends, develop your skills, get out of the house or just be entertained – we have something for you.
