Public invited to **Tigard Public Works Day** Heavy-duty fun for the entire family!

Tigard's Public Works Department will host Public Works Day on Sunday, May 17, from 9 a.m. to 2 p.m., at 8777 SW Burnham Street, in Tigard.

Ever wonder what it's like to sit in the driver's seat of a backhoe or dump truck? This is your chance to find out! Event attendees will learn about public works through activities and demonstrations that will take place throughout the day. Public works professionals will be on hand to talk about their work, and a variety of heavy equipment will be on display.

In celebration of National Public Works Week, May 17–23, this event seeks to educate the community about the infrastructure and services collectively known as public works. In Tigard, public works encompasses: water, sewer, stormwater, streets, emergency management, facilities, fleet and parks.

The free, family-oriented event will take place in conjunction with the Tigard Area Farmers Market.
