## **Social Service and Community Event Grant Applications Now Open**

Are you a member of a registered non-profit organization providing services to our community? Do you know of a community event in need of funding? Did you know that Tigard sets aside 0.5 percent of the operating budget to fund social services and community events?

This year, that percentage is providing more than \$290,000 to 40 organizations and events in amounts ranging from \$400 to \$29,000. City grants have helped to fund City of Tigard dog parks, Tigard Area Farmer's Market, Balloon Festival, LifeWorks and Luke Dorf, to name a few examples.

The funding of awards is determined during the annual budget process. A subcommittee of the Budget Committee meets to review all social service requests and to recommend funding in the approved city budget. Community event requests are reviewed by the City Council.

The adopted budget presents the results of both reviews. Once the budget is adopted in June, organizations will receive notification of their funding from the city.

If you are interested in applying, applications can be found on our website at: [www.tigard-or.gov/city\\_hall/finance\\_and\\_information\\_services.php](http://www.tigard-or.gov/city_hall/finance_and_information_services.php), under the Social Service and Community Events Grant Program accordion tab.

**Completed applications must be returned to the city Finance Office no later than Thursday, Feb. 9**, in order to be considered. Our address is 13125 SW Hall Blvd, Tigard, OR. 97223. You can submit your application online at [lizabeth@tigard-or.gov](mailto:lizabeth@tigard-or.gov).
