## *City Recruiting for Several Openings on Audit Committee*

*Make a difference helping the City of Tigard ensure reliable financial reporting and oversight of performance audits*

Formed in 2012, the Audit Committee ensures transparency in the management of both financial and performance audits and provide critical assistance to the auditors and management.

To meet the expanded scope of its work, the Audit Committee is adding two at-large positions for single two-year terms ending December 31, 2020. Preference will be given to residents who are Certified Public Accountants or have professional experience with performance audits.

Audit Committee members will be expected to:

- Attend and participate in meetings held throughout the year.
- Review performance and financial audit findings.
- Review and approve performance metrics suggested by performance audit reports.
- Review semi-annual reports from staff on progress in measuring and reporting on metrics suggested by performance audit reports.
- Report to council on the financial audit, and summarize activities of the Audit Committee in regards to performance audit and recommend future performance audit activities of the city.
