ANNUAL REPORT

TIGARD POLICE DEPARTMENT

ATTITUDE ♦ LEADERSHIP ♦ INTEGRITY ♦ SERVICE ♦ TEAMWORK

TIGARD POLICE DEPARTMENT

MISSION

To create the highest level of livability possible by working with our citizens to preserve and protect life, liberty and property.

VISION

The Tigard Police Department is committed to achieving our mission by:

- Partnering with citizens and other departments
- Developing well-trained, ethical and accountable employees
- Earning public trust and confidence through our actions and values

GOALS

The goals of the Tigard Police Department are:

- To reduce crime and the fear of crime
- To become the most walkable city in the Pacific Northwest
- To assist the City of Tigard in the accomplishment of municipal goals and objectives
- To enhance the safety and security of Tigard's residents, visitors and businesses
- To preserve constitutional and civil rights, and foster good citizenship in our youth

CHIEF OF POLICE ALAN ORR

Message from the Chief

I am proud to present the City of Tigard Police Department's 2015 Annual Report.

The department has worked tirelessly over the past year to keep Tigard's families, students, businesses and visitors safe. Our core values continue to define these efforts:

ATTITUDE | LEADERSHIP | INTEGRITY | SERVICE | TEAMWORK

As Tigard continues to develop residentially and commercially, your Police Department continues to adapt to meet these growing needs. Investing in our officers – ensuring that they have the highest levels of training and quality equipment – is the best way we can honor our commitment to you.

We are fortunate to serve such a supportive community. Thank you.

On behalf of the remarkable men and women who comprise the City of Tigard Police Department, I would also like to thank Mayor John L. Cook, the City Council members and City Manager, Marty Wine for their guidance and support.

We are looking forward to the years ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan F. Orr".

Alan F. Orr
Chief of Police

From left to right: Assistant Chief de Sully; Chief Orr; Captain Rogers

TIGARD POLICE DEPARTMENT

Command Staff

Chief Alan F. Orr

Chief Orr has worked in law enforcement for 45 years and joined the Tigard Police Department in 2002. He was promoted to assistant chief in 2003 and chief in 2009.

Assistant Chief de Sully

Assistant Chief de Sully has worked in law enforcement for 29 years and joined the Tigard Police Department in 1990. He was promoted to sergeant in 1997, lieutenant in 2004, captain in 2009, and assistant chief in 2012.

Captain Bob Rogers

Captain Rogers has worked in law enforcement for 25 years and joined the Tigard Police Department in 1997. He was promoted to sergeant in 2000, lieutenant in 2006, and captain in 2009.

INVESTING IN RESOURCES

Department Staffing

The Department is organized into three divisions Operations, Services and Administration with 83.5 full-time equivalent positions. Of the total, there were 68 sworn officers and 15.5 non-sworn personnel.

Patrol is the backbone of the department providing first responders to calls for service and emergencies. The Patrol unit consists of 33 officers working in three shifts providing coverage 24 hours a day, 365 days a year. When not responding to calls, officers proactively connect with citizens and business owners in community-based policing efforts utilizing the District Officer concept.

The practice of permanently assigning officers to districts enhances their knowledge of geographic specific problems related to safety and security of Tigard's neighborhoods.

Traffic Safety is comprised of three motorcycle officers who focus almost exclusively on making Tigard's roadways safe for residents and visitors alike by enforcing state and local

traffic laws. Officers conduct focused enforcement campaigns throughout the year, including crosswalk, safety belt, DUII and speeding, in addition to regularly patrolling the City's arterials, corridors and highways. The unit is supported by two non-sworn Community Service Officers who assist with traffic control, abandoned vehicles, equipment procurement and special events logistics.

Canine Unit

Tigard has two canine teams consisting of specially trained officers and two police dogs – Baxter and Diesel. Together, they track, locate and apprehend suspects throughout Tigard and in support of other jurisdictions across Washington County. The unit is in operation seven days a week.

Criminal Investigations Unit

Detectives are responsible for investigating serious crimes against persons and property including homicide, assault, sex abuse, child abuse, rape, burglary, major theft, computer crimes, and cases requiring specialized training and experience. The group also includes three out-sourced detectives working with regional interagency teams:

- Westside Interagency Narcotics Team – one detective
- Drug Enforcement Administration’s anti-narcotics task force – one detective
- METRO’s Solid Waste Enforcement Team – one detective

The Commercial Crimes Unit (CCU)

is a team-oriented policing partnership with the business community whose purpose is to reduce commercial and business crimes, particularly in the expanding occurrences of organized retail crime. The CCU meets this objective by conducting focused, proactive investigations; providing training and educational opportunities to local businesses, and directly working with business owners on reducing their security risks.

The School Resource Unit serves the Tigard-Tualatin School District at the elementary, junior and high school levels by visibly interacting with the staff and students at their corresponding schools and after-school events, when requested. The School Resource Officers (SROs) also provide investigative assistance to the Operations Division on matters involving schools, investigate reports of child abuse and neglect, conduct follow-up investigations related to school-age missing persons and teach Gang Resistance Education and Training curriculum to fourth and sixth grade students as well as Internet safety, “I Can Do This!” classes, suicide prevention, and self-defense.

The Records Management Unit

The unit supports sworn personnel by providing timely information used in the apprehension and prosecution of criminals. Four records specialists are responsible for processing internal and external records requests as well as managing data with various law enforcement records management systems, processing traffic citations, field interrogations cards, false alarm notifications, incident cards and liquor license applications.

Peer Court Program Specialist administers the Tigard Youth Peer Court program and coordinates referrals to juvenile courts. The program specialist also functions as the department’s liaison to the Tigard Youth Advisory Council and other area youth-focused programs, as directed.

The Property and Evidence

The unit records and maintains the chain of custody for evidence and found property, ensures the proper release of items in their care to owners, manages the destruction of evidence per statute of limitations and court orders. The section supports all sworn personnel by releasing evidence for court presentations.

The Crime Analyst provides timely information that assists officers in solving crimes and detecting crime patterns within the city and throughout the region. The Crime Analyst supports management’s efforts in allocating resources appropriately and effectively by providing tactical and strategic analysis. The analyst collaborates with law enforcement partners to ensure regional anti-crime efforts are coordinated through information sharing.

Executive Staff Chief, Assistant Chief and Captain are accountable for the overall success of the department by providing vision, direction and overseeing all departmental functions and activities. The Executive Staff represents the department internally and with our community partners. They are directly supported by the Public Information Officer, the Business Manager and the Executive Assistant.

FISCAL YEAR 2015–16

Department Budget

Total Police Adopted Budget for 2015–16:
\$15,964,020

The budget supports our primary goal which is to reduce crime and the fear of crime.

The department’s budget can be viewed by division (chart 1) or by spending category (chart 2). Patrol functions, the backbone of the department, are the majority of costs within the Operations Division. Operations includes officers and supervisors assigned to all three shifts – Day, Swing and Graveyard – as well as the Traffic Unit and K9 teams. The Services Division includes detectives (within the Criminal Investigations Unit, Commercial Crimes Unit and outsourced detectives), the Records Unit, Property and Evidence and Peer Court. The Administrative Division is comprised of the Chief’s Office, the Public Information Officer, Crime Analyst and Business Manager.

Chart 2 illustrates that the Police budget is nearly three quarters salaries and benefits. The remainder of the budget supports vehicles (replacement, maintenance and fuel), training, uniforms, technology and related equipment as well as administrative functions including human resources, accounting, facilities and information technology support.

We strive to “enhance the safety and security of Tigard’s residents, visitors and businesses” in a cost effective manner.

CHART 1 SPENDING BY DIVISION

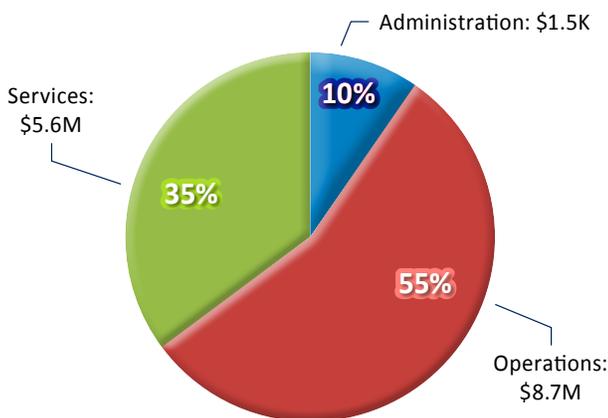

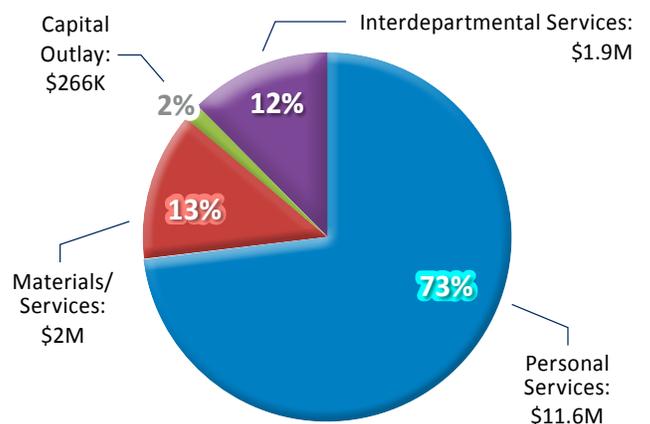

CHART 2 SPENDING BY CATEGORY

Interagency Partnerships

The Tigard Police Department works closely with a variety of law enforcement agencies and task forces within the region. These partnerships broaden the scope and depth of the investigations that the department provides to citizens by adding strength and specializations that would not be possible otherwise.

Crash Analysis Reconstruction Team (CART)

Two officers are members of this multi-agency team comprised of officers within Washington County trained in traffic crash deconstruction.

Crisis Negotiations Unit (CNU)

Two detectives are part of the CNU, in addition to officers throughout Washington County. The CNU also includes mental health consultants who effectively manage each crisis. The CNU was formerly known as the Hostage Negotiation Team (HNT).

Drug Enforcement Agency (DEA)

One detective is assigned to the DEA to support the reduction of illegal domestic drug availability and trafficking in the region.

Interagency Gang Enforcement Team

Two officers from Tigard serve as liaison within Washington County on gang-related issues.

FBI Lost Innocence Task Force

One detective is assigned to this multi-agency team that works with the FBI and the U.S. Attorney's Office to address the problem of domestic sex trafficking of children.

Metro Regional Government

One detective is assigned to the Regional Illegal Dumping Patrol to ensure that illegal dumps are cleaned up and investigated. The program is fully funded by Metro.

Westside Interagency Narcotics Team (WIN)

One detective is assigned to WIN. The mission of the team is to target all drug traffickers in and around the Washington County area. WIN works closely with federal partners.

Major Crimes Team

Sponsored by the Washington County District Attorney's Office, this team of experienced detectives provides mutual aid with immediate investigative needs

during major events. One sergeant and three detectives are assigned to the Major Crimes Team.

Tactical Negotiations Team (TNT)

Two officers are assigned to this Washington County tactical team.

TriMet

One sergeant and four officers work as transit police to provide security throughout the transit system. The program is fully funded by TriMet.

TRAFFIC AND PEDESTRIAN

Road Safety

Tigard is committed to traffic safety and developing new methods for educating the public. In collaboration with the Tigard Municipal Court, the Police Department created the Distracted Driver Diversion class in July 2014.

Distracted Driver Diversion

For adult drivers, the class may be offered by the court following a ‘no contest’ plea to a cellphone or other distracted driving violation in lieu of a conviction on their driving record. The program is offered free to Tigard teenagers as part of our teen driver safety education initiative.

In 2015, Tigard Officers taught over 300 participants about the dangers of distracted driving.

Traffic Safety Grants

The Tigard Police Department continues its partnership with the Oregon Department of Transportation (ODOT) and nonprofit Oregon Impact to secure National Highway Traffic Safety grant dollars. These grants are a critical factor in supporting concentrated enforcement efforts to combat traffic related safety issues such as driving while under the influence of intoxicants (DUII), crosswalk enforcement, and seat belt compliance.

Distracted Driver Diversion Class Comments

Fantastic program.

Well done. Will bring in my teenage kids soon.

Sobering class for a skeptic.

Excellent class.

This class should be open for everyone.

For more information on the Driver Diversion class, visit: www.tigard-or.gov/police/diversion.php

2015 CRIME STATISTICS - NATIONAL INCIDENT BASED REPORTING SYSTEM (NIBRS)

Crime Statistics

National Incident-Based Reporting is a system developed by the Federal Bureau of Investigation and used by law enforcement agencies across the United States for collecting and reporting data on crime. Over the past several years, NIBRS reporting system is in the process of replacing the more traditional uniform crime reporting which summarized crimes into Part I and Part II offenses. NIBRS was implemented to improve the overall quality of crime data, capturing additional details on each single crime incident that had not previously been gathered in a consistent manner from all law enforcement agencies.

The switch to NIBRS is not mandatory, however, about a third of states participate now and many more are in the process of implementing or planning their conversion. Oregon switched to NIBRS in 2015.

Offenses are categorized into Crimes against Persons, Property and Society and further into Group A and Group B which designates the level of reporting that must be provided. Generally speaking, the more serious and/or frequent offenses require additional reporting and are categorized as Group A.

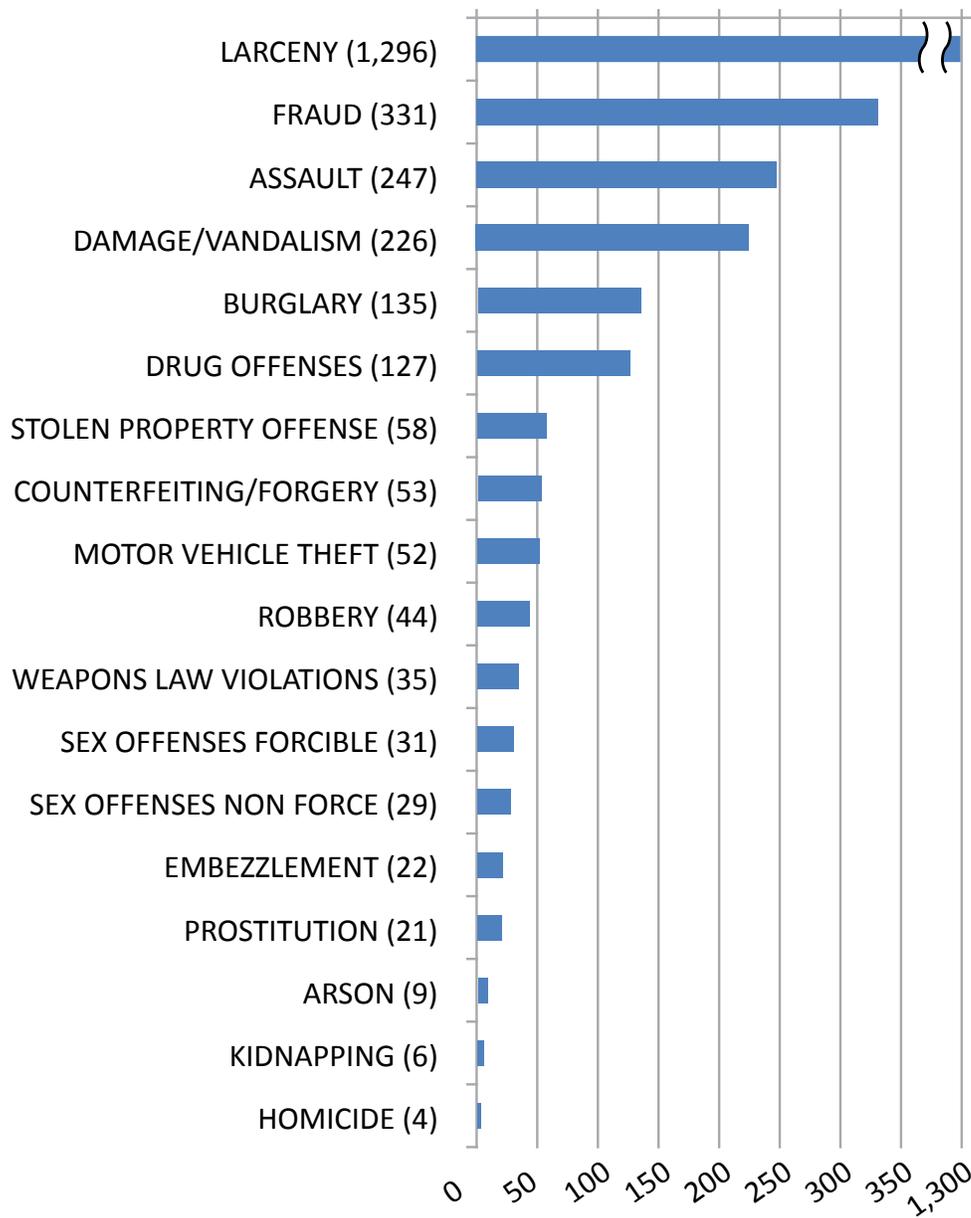

Group A Crimes (Chart 1)

Larceny is consistently the most frequently committed crime in Tigard. Larceny, which is theft of property from a building or vehicle, can take place in residential areas in addition to the commercial and retail hubs throughout the City. Examples include thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking. This excludes property taken by force or fraud.

Group B Crimes (Chart 2)

Driving Under the Influence of Intoxicants (DUII) is the most prevalent crime in this category. Tigard PD takes traffic and pedestrian safety seriously – supported by state and federal grant partners, our officers worked just over 200 hours this year in dedicated DUII enforcement missions. These efforts were in addition to their regular patrols.

2015 GROUP A CRIMES – Chart 1

NOTE:

Other Group A Crimes include:

- BRIBERY
- EXTORTION
- OBSCENE MATERIAL

Tigard had no incidents of these crimes in 2015.

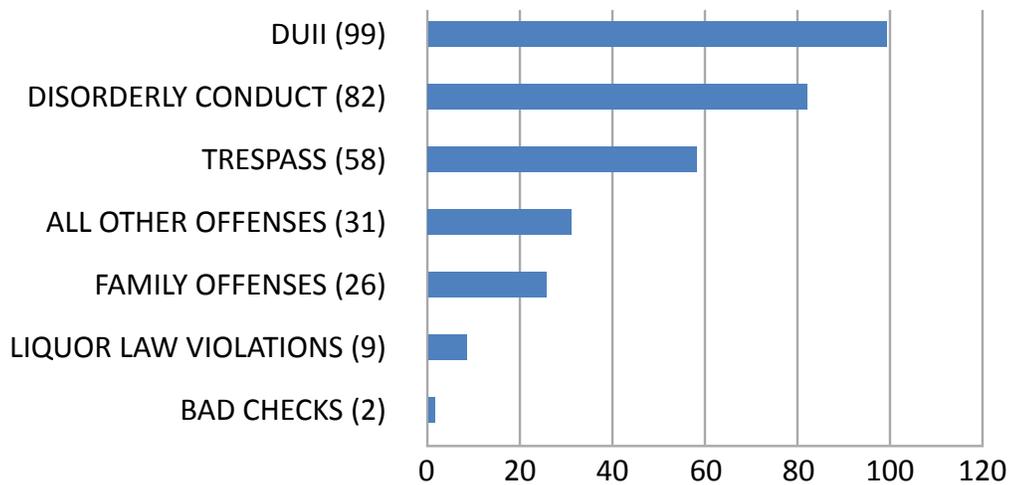

Crime Statistics CONTINUED

2015 GROUP B CRIMES – Chart 2

NOTE:

Group B Crimes also include: CURFEW and PEEPING TOM. Tigard had no incidents of these crimes in 2015.

Community Connections

Shred Event

In collaboration with Pride Recycling, TPD sponsors a shred event to help the community safely dispose of sensitive documents in order to reduce the potential for identity fraud. Over 4,000 pounds of paper were collected and shredded.

4,000 LBS
PAPER SHREDDED

Tip-A-Cop

Tigard PD raised over \$5,300 for the Oregon Special Olympics and came in first in the state. Overall, \$54,800 was donated from all law enforcement events in Oregon.

\$5,300+
RAISED FOR OREGON
SPECIAL OLYMPICS

I Can Do This!

Classes are offered to school-aged children to teach them how to be safe when unsupervised at home. In 2015 over 130 children attended four classes.

Coffee with a Cop

The program connects community members with officers to strength understanding and build relationships. In 2015, Tigard hosted four events and met with over 100 citizens.

2015 Events and Programs
