Tigard High School Student Injured After Being Hit By Truck

A 14 year-old Tigard High School student is hospitalized as a result of being struck by a dump truck. A 9-1-1 call was made at approximately 3:30 p.m. requesting police and medical assistance. The incident took place along Durham Rd. near 90th Ave. in Tigard. Tigard High School had recessed for the day minutes earlier and students were leaving the campus when the accident occurred. Traffic moving westbound along Durham Rd. was temporarily diverted as police investigated the incident.

The injured student was transported from the scene by ambulance to OHSU Hospital with apparent serious injuries. The driver of the dump truck remained at the scene and fully cooperated with police. Police do not know why the student allegedly stepped off the sidewalk and into the path of the truck as it traveled westbound on Durham Rd. Police determined that the driver was not at fault. No citations were issued.
