### *Tigard Police Continue High Visibility Enforcement*

During the most recent High Visibility Enforcement (HVE) campaign that took place March 16th through the 17th., Tigard Police arrested two drivers for DUII. In addition, officers also initiated 25 other traffic-related stops resulting in either citations or warnings for other traffic offenses such as speeding or driving with a suspended license.

Tigard Police plan to continue participation in the grant-funded program that focuses on extra police officers patrolling with the primary focus of arresting impaired drivers. The NHTSA sponsored campaign is credited with improving the safety of our roads, especially during the holiday season and other times when alcohol typically is consumed such as when major televised sporting events air.
