

## **Creating Art for Rotating Teen Display**

The rotating art display in the Tigard Public Library's Teen Scene showcases art projects by local teen artists.

### **How You Will Make a Difference**

Volunteers who create art for the rotating teen display encourage others to try new hobbies as well as promote local art within the Tigard community. The art will be displayed face-out in the Teen Scene windows, so it will also provide connection and cheer to those who cannot enter the library.

### **Volunteers are needed to:**

- Sign up on under "Remote Volunteer Program: Library" on VicNet.
- Create art for face-out display in the Teen Scene windows (in the back of the library facing Fanno Creek Train) The art should be bold and noticeable from a distance, easy to hang, and able to withstand sunlight.
- Contact librarian Lisa with art proposals: [lisae@tigard-or.gov](mailto:lisae@tigard-or.gov) or 503-718-2654
- Fill out a Volunteer Reflection form and send to Volunteer Coordinator Katie.

### **Benefits**

- Allows volunteers to learn or hone creative skills.
- Promotes art within the Tigard community.
- Beautifies the Tigard Public Library.
- Enables a sense of community within our library.

### **Commitment/Schedule**

This depends on the project. Volunteers will need to estimate how many hours this will take them and pitch that estimation to Volunteer Coordinator Katie.
