URBAN RENEWAL CITIZENS RIGHT TO VOTE

Section 45.

The voters of the City of Tigard, exercising their powers as the ultimate governing body of the City as reserved to them by the ordinances of the City and by the Constitution and laws of the State of Oregon, do hereby find and determine that there no longer exists a need for an urban renewal agency in the City. Therefore, the Tigard Urban Renewal Agency, as established or activated, by Ordinance No. 81-91, adopted in December, 1981, is terminated. The facilities, files and personnel (if any) of the Tigard Urban Renewal Agency shall be forthwith transferred to the City. The termination shall not affect any outstanding legal actions, contracts or obligations of said agency, and the City shall be substituted for said agency in respect thereto. If, at the time this section is adopted, termination of the Tigard Urban Renewal Agency is legally prohibited by any mandatory provision of controlling state law, the termination shall be postponed until such legal impediment has been removed and shall then automatically become effective; and, in the interim pending the effective date of such termination, the City shall not authorize, approve or assist in the incurring of any new debt or obligation or in the performance of any portion of the urban renewal plan.

Section 46.

Section 45 is and shall be deemed to be an ordinance of the City within the meaning of ORS 457.075. Therefore, Section 45 may be amended or repealed by non-emergency ordinance adopted by the City Council. The City Council may in the future activate, create, reactivate or recreate an urban renewal agency in the City in the manner provided for by law, subject to the limitations of Sections 47 and 48 concerning the methods for financing the activities of such an agency.

Section 47.

After November 6, 2013, the City shall not approve an urban renewal plan or an amendment of an urban renewal plan that initiates the use of tax increment financing as a permissible method of paying the debts and obligations of the agency unless, prior to the activation and implementation of such tax increment financing, such method is approved by the voters of the City at a regular or special City election held in May or November. The City Center Urban Renewal Plan dated December 6, 2005, initiated the use of tax increment financing and is deemed to be approved in its entirety for purposes of this Section 47. (Measure 34-207, November 5, 2013, election).

Section 48.

Any urban renewal plan or amendment thereof hereafter proposed or adopted shall require that the plan, including the method of financing same, shall be approved by the voters at a regular or special City election in May or November, if such plan or amendment permits the City or the Agency to impose additional property taxes on properties outside the urban renewal area to pay the debts or obligations to be incurred in carrying out the plan. Notwithstanding the foregoing, separate approval at an election is not required for:

THE CITY OF TIGARD CHARTER

(1) Expenditures by the City, as distinguished from the urban renewal agency, which have been duly identified and included in a duly adopted City budget; or

(2) Issuance of Bancroft bonds (ORS 223.205 to 223.295) in connection with assessments for local improvement districts, if such issuance is otherwise authorized by law. (Measure 34-207, November 5, 2013, election)

Section 49.

As used in Sections 45, 46, 47 and 48:

(1) “City” means the City of Tigard, Washington County, Oregon.

(2) “Urban Renewal Agency” means an agency created or existing under ORS Ch. 457 as it now exists or may hereafter be amended, or a similar agency with similar powers and purposes created under any other provision of law.

(3) “Urban Renewal Plan” means a plan as defined in ORS 457.010 (11) as it now exists or may hereafter be amended, or a similar plan adopted under any other provision of law.

(4) “Tax Increment Financing” means the method of financing described and referred to in ORS 457.420 to 457.460, or a similar method of financing provided for under any other provision of law.

Section 50.

If any section or portion of this Charter amendment (Sections 45 through 49) is determined unconstitutional or unlawful, the remaining portions and sections shall be severable and shall remain in effect. (Measure 51, September 20, 1983 election).

Section 51.

The City of Tigard shall not use the Willamette River as a drinking water source for its citizens unless the question of using the Willamette River as a drinking water source has been approved by not less than fifty percent (50%) of voters voting in a City wide election. (Measure 34-8, September 21, 1999 election).

Section 52.

The City of Tigard shall not increase a current tax or fee or impose a new local tax or fee for construction costs to build or expand light rail transit line infrastructure without voter authorization. If the City desires to increase or impose a new local tax or fee for construction costs to build or expand light rail transit line infrastructure, it will first call an election and state the amount of new or additional taxes or fees that would be used for construction costs to build or expand light rail transit line infrastructure. The voters of the City of Tigard would authorize or decline to authorize the spending of the new or additional taxes or fees. This Charter Section will automatically expire ten years after its effective date. This Charter Section became effective on December 3, 2012 (date determined as specified in Resolution No. 12-33, Section 6; Measure 34-203, November 6, 2012 election).

Section 53.

A. The City of Tigard, as a matter of public policy, opposes construction of a new high-capacity transit corridor within the city boundary unless voter approval is first obtained.

B. A “new high-capacity transit corridor” includes any portion of regional transit system proposed for development within the City that reduces available road capacity in favor of light rail, rail transit or exclusive bus lanes. “Road capacity” includes any roadway within five miles

THE CITY OF TIGARD CHARTER

of the city that currently permits public automobile traffic or any public rights-of-way that could otherwise provide additional road capacity at a future date.

C. The City of Tigard may not amend its comprehensive plan or land use regulations to accommodate the siting of a new high-capacity transit corridor project if such project has not first received voter approval at an election on an authorization ordinance. An authorization ordinance submitted to voters must describe:

1. The total amount of road capacity that would be reduced by the new high-capacity transit corridor;
2. Any increases in housing density or changes to land use regulations within the city that will be proposed to site or otherwise accommodate the new high-capacity transit corridor; and
3. The projected public cost of the entire high-capacity transit corridor project.

Sufficient public notice for an authorization ordinance under this subsection is provided to city voters if the certified ballot title accurately summarizes the information required in this subsection and provides a link to a detailed description hosted on a city website. If sufficient public notice cannot be accomplished in the manner above, the city shall provide such information to voters by mail at least 21 days in advance of the election.

D. Every year the City shall send a letter notifying the following public officials of this policy: the Governor of Oregon, the Director of the Oregon Department of Transportation, Washington County Commissioners, Metro Councilors, the TriMet Governing Board and the Director of the Federal Transit Administration. (Measure 34-210, March 11, 2014 election).
