### 4 Protective Sweep Authorization

A protective sweep is a visual inspection of a home or business by law enforcement personnel when a responsible person is not immediately available to give or refuse consent for the officer to enter. You may change your decision at any time by submitting a new form. Selection of one below is mandatory:

- I DO give consent for law enforcement to conduct protective sweeps when responding to alarms at my premise.
- I DO **NOT** give consent for protective sweeps. I understand that without additional details of a crime in progress, my alarm may be classified for a lower priority response by law enforcement.
