### Additional Program Information

- All the program participants are engaged with the Safe Parking Coordinator on their case management plans and meet regularly with Just Compassion.
- There is a growing waitlist of Tigard residents living out of their vehicles that we are unable to serve with the number of spaces currently available in the Program. The City is committed to adding at least two more sites to the Program in the coming months and will begin community engagement for a second site in early 2025. Stay tuned for more information!
